

# Parker's Homevalue has big plans for the future.

## What are your plans for your future?

Parker's Homevalue is a new DIY store close to Blackpool with BIG plans for the future. Born out of a merging of two successful companies in their own right, Cork Timber & Slate and The Commercial Dry Lining Centre, Parker's Homevalue already has a large customer base and is looking for someone to manage the store as it grows and moves into a larger, more modern facility.

### Store Manager

Ideally you have previous experience in a retail DIY environment and are looking for a challenge! You may be in a management position currently with not enough autonomy or a supervisory role looking to take the next step in your career. Whatever you are doing, this role will require you to have some management experience, stock/inventory control experience, extensive DIY product knowledge, store/stock presentation and sales promotions experience. You will be responsible for driving sales within the store and will work with a team of sales staff to achieve this.

To apply for this exciting role please send an updated CV outlining your suitability to [sahern@berkley.ie](mailto:sahern@berkley.ie) or call Shirley Ahern at 021 4289615.

Our recruitment partners Berkley Recruitment will deal with all applications in confidence.

Closing date for receipt of applications 22nd February.
